[kydaisy24@yahoo.com](mailto:kydaisy24@yahoo.com)

7048040392

I am a CNA, EMT, CPR/BLS, phlebotomist, and a certified medical assistant with 14 months till I have my RN

Willing to relocate: Anywhere

Authorized to work in the US for any employer

## Work Experience

---

### **Certified Medical Assistant**

Capital Regional Medical Center - Jefferson City, MO

July 2016 to Present

#### Responsibilities

I work for 4 different drs depending on the day. I do internal medicine with the vice president of the hospital, i work for a nephrologist, i do ultrasound and biopsy on thyroids, and also run a diabetic clinic. I do a wide range of tasks.

#### Accomplishments

I have a very high stick rate, and am very proficient.

#### Skills Used

My sticking capabilities, and the ability to make patients feel at ease and comfortable during the blood drawing procedure. I am knowledgeable, and great at what I do.

### **Phlebotomist**

Piedmont Medical Center - Rock Hill, SC

November 2014 to June 2016

I worked in the ER as a very successful phlebotomist.

### **MA/Phlebotomist**

Kentucky One Health

January 2013 to April 2014

I room patients, get all vitals, go over med list, chief complaints', order any protocol labs that may be needed before the doctor comes in such as UA, A1C, blood sugars, refill meds, answer any questions the patients may have, draw blood

Dates of employment ~ January 2013 - April 2014

Reason for leaving ~ Moving to Charlotte, NC and looking for a job doing the same thing.

### **Traveling phlebotomist**

Med Lab

January 2011 to December 2012

going to different homes getting labs, taking the blood back to the lab and spinning the blood down and preparing it to be sent to the main lab for testing.

Dates of employment: Jan 2011, to Dec 2012

Reason for leaving- really do not want to travel anymore, but enjoy doing phlebotomy.

### **Traveling Phlebotomist**

Precision Lab - Lubbock, TX

October 2010 to December 2010

Going to different nursing homes and drawing blood for different labs. Doing on call, stat runs.

Dates of employment - Oct 2010 to Dec 2010

Reason for leaving - come back to Louisville

Granny Nannies- 502-454-9134 Louisville, Ky

Job description - Home health care, I went to a retired Dr house and helped him with his everyday living needs, gave his medication, changed the bandages on his wound, took him to his Dr appointments, cook dinner, and did light housekeeping.

Dates of employment - November 2008 to May of 2010

Reason for leaving - I had a traumatic motorcycle accident in May 2010 which almost took my life, and I was unable to continue to work.

### **ER Tech**

U of L Hospital - Louisville, KY

2006 to 2008

Job description- Working in the ER, taking vital signs, helping with medical duties, working in the trauma unit, doing CPR, EKG, and lab work for patients.

Dates of employment - 2006-2008

Reason for leaving - personal reasons

### **EMT-B**

Yellow Ambulance - Louisville, KY

June 2002 to October 2006

Reason for leaving- Personal reasons

## Education

---
