HEALTH CARE EXPERIENCE

Family Nurse Practitioner

Kumar Quality Medical Care
March 2022- Present

Part time practice in a Family Medicine Practice managing a range of different diagnoses across the lifespan. Certified aesthetics provider. Proficient in Practice Fusion and Epic EMARs and Telehealth visits. Develops trusting, authentic bonafide patient-provider relationships.

Director of Nursing, Heritage Hall

Heritage Hall Wise, VA
April 2021- December 2022

In charge of managing nursing staff (approximately 30 nurses and 45 CNAs) as well as scheduling shifts. Provide direct patient care. Conducted care plan management for approximately 90 long-term care and hospice residents. Work alongside with MD providing recommendations for patient care and implementing orders.

Registered Nurse, Emergency Department

Lonesome Pine Hospital: Big Stone Gap, VA
February 2017- April 2021

Ample experience as Team Leader/Charge Nurse with exposure to various patient cases. Directed room assignments to ambulance and private patient arrivals. Developed skills to work quickly and effectively while remaining calm. Delegated appropriate tasks to other RNs, LPNs, and PCT Staff. Activated Code protocols when expecting a trauma and emergency patient. Performed patient care using effective communication skills and teamwork. Frequently utilized Crash Cart and emergency intubation techniques. Demonstrated excellent communication with patients and their family regarding treatment plan and ensuring patient satisfaction. Precepted 20+ RN students and new RNs. Received multiple personal patient satisfaction mentions and personal "Thank You" cards.

Registered Nurse, Intensive Care Unit

Pikeville Medical Center: Pikeville, KY
June 2017-February 2018

Developed advanced critical care and decision-making skills. Competent in time management. Assisted with central and arterial line placement and management. Long-term management of patients with recent MI, CVA, sepsis, and pulmonary injuries. Managed thermoregulatory devices (cooling blankets, bair hugger, etc.) Collaborated with members of interdisciplinary team to provide the best patient outcomes.
