Initial contact with Dr. Akshita Singh:

Dr. Singh will complete her Internal Medicine Residency in June of 2020. She is interested in Full-Time Hospitalist opportunities, that can

sponsor her H1b Visa, beginning as early as July 2020.

At this point in her job search, Dr. Singh is interested in Hospital Employed or Private Practice opportunities. She is flexible in terms of Group size. Dr. Singh enjoys all aspects of Internal Medicine and is interested in:

- rheumatology
- hematology and oncology

She would be comfortable running codes but would prefer not to do any procedures or ICU work. She is experienced with the following EMRs:

- Epic

She is flexible in terms of schedule.

Geographically, Dr. Singh is interested in opportunities in the following states:

- Arizona
- California
- Florida
- Illinois
- Nevada
- New York
- Pennsylvania
- Washington

She is specifically interested in opportunities in California, ideally. However, she would consider any of these states but is only interested in positions near a major city. In her free time, Dr. Singh enjoys:

- dining out
- traveling
- exploring the city

Dr. Singh is ready to begin interviewing with employers and currently needs 2 weeks' notice prior to a formal interview to adjust her schedule. She is available for preliminary interviews via Skype, FaceTime, or another web conferencing service. Dr. Singh does have her formal CV up to date and it is available from her upon request.
