Projects:

VIDYO CM/MOD, 2023

- As a Moderator and Zealy quest creator for Vidyo, I play a crucial role in managing the Telegram and Discord channels with utmost dedication.
- Managing the channels: I diligently monitor the Telegram and Discord channels, promptly addressing any spam or abusive language.
- Engaging with users: I actively engage with users, answering their questions, providing assistance, and fostering meaningful conversations.
- Creating Zealy quests: As a Zealy quest creator, I design exciting and interactive quests for Vidyo users to participate in.
- Ensuring quest order: I meticulously organize and oversee the implementation of quests, ensuring they are structured and aligned with the overall vision.

Masa Ambassador, 2023

- Kept the community active with reasonable conversations and discussions related to the project and the crypto space.
- Organized the community to prevent spam and scams.
- Provided regular updates on recent happenings and acted as an intermediary between the project manager and community members.

Chainindustry Ambassador, 2022

- Engaged in content writing, innovative content creation, meme and banner design, and social media engagement.
- Worked with professionals to communicate the project's unique virtues to the crypto universe and the mass.
