## OBJECTIVE

I seek opportunities where I can fully use my skills as a writer for the success of the organization. I also want to keep telling a story to the audience through my writing. I derive joy in knowing I write what a lot of people read everyday

## EXPERIENCE

- **Marker content**

*1st June 2023 - Still working*

Article writer

. I created compelling, engaging and error free articles and content to be published on their site or sold to various buyers who like the content.

. Helped in the development of SEO- optimized contents including blog posts, article. This made it possible for them to have enough articles to sell to their buyers

- **Sigarto and co ltd**

*May 2022 - October 2022*

Blog writer

. I created compelling, engaging and error free articles and content to be published on their site. This improved their website traffic by 10%

## EDUCATION

- **Federal university of technology Owerri**

*2023*

Studied civil engineering

## SKILLS

- SEO principles
- Creative thinking and writing
- Proof reading
- Knowledge of html

## PROJECTS

- **Gen z and their characteristics**

In this project, I talked about the characteristics of gen-zers. Was a nice project I had fun writing about. Wrote it for a company( Marker content )

- **A guide to finding the right one.**

This project was dedicated to the ones in love out there. It was a nice piece of work. I made sure it was error free and observed seo principles.

- **Touring a lot**

In this project, I wrote about the benefits of touring and going on vacations. Seeing the vast world. I made sure it observed the various SEO principles, while also checking of errors and wrong spellings.
