1. Hello, High School Graduate looking for work, I'm reliable, determined, creative and intuitive
2. I love talking to people I don't have much experience in Sales but can easily learn with enough practice I am also good at picking up patterns as well,
3. I have a flexible schedule, I Can use Ucard will have to see if so I have transportation
4. I work best in a Positive, Friendly Environment, with Encouragement and Praise
5. The jobs shouldn't only be entry level no bachelors or associates degrees because I don't have one at the moment
6. I don't have a drivers license so no jobs that require one
7. I am an animal lover and care deeply for their well being I do have ADD/ADHD (Attention Deficit Disorder) and Post Traumatic Stress Disorder which affects memory I do struggle with attention to detail due to my ADD but I'm slowly improving
8. My skills are in Art I do watch animal care videos for rodents dogs ferrets and occasionally cats mainly diet when it comes to dogs cats and ferrets and husbandry also Pigs as well for care and nutrition I'm going to got to Furman to University to pursue and Art Career once I get my transcript All information is Accurate to my knowledge, if Something Changes or I accidentally put something wrong I will text you
