Work experience

- 2019 - 2020
- NewsWeek Amplify - Finance Writer
NewsWeek Amplify
- As a financial writer I worked full-time with my remote team under the supervision of the team's editor. My responsibilities included:
- Researching, outlining, writing and revising finance articles.
 - I conducted high-level research on brand tone with aim of curating content that generated conversions for the various brands in the financial niche.
- 2018 - 2019
- Travel Niche Writer
Trip101
- Curated content in the travel niche addressing different destinations across the globe. Upload content, pictures, and videos on the content management system.
- 2017 - 2018
- TheGoldWater.Com - Trending and Breaking News Writer
TheGoldWater
- Performed research and wrote unbiased and factual news stories.
- Performed research on information for story development while monitoring story all through its various stages.
- Provided assistance to producer and developed news scripts while organizing videotape to present news.
- Designed and edited news for reading by anchors and communicated appropriate stories to audience.
- 2014 - 2016
- Breaking News Writer
Business Times - China
- Utilized journalistic skills to format and structure contributions with an understanding of readers' interests, resulting in regular acceptance of submissions in the breaking news niche.
- Identified stories of interest and conducted research to ascertain key facts while focusing on engaging the reader; using targeted language that ensures articles are interesting and informative.
- Conducted editorial reviews to ensure syntax structure, grammar and content are of the highest quality.

Education

- 2014 - 2017
- BS in Information Systems
New York University
- BS in Information Systems is about Network Management and Security, Database Technologies Management, Enterprise Systems Management, and Web Site Design and Development. It's Difficult but at the same time can be very enjoyable.
