**Jonah (Yonah) Solomon**  
**DNP, RN, AGACNP-BC, CHPN**

RN license #: 95155000  
NP certification #: 2023129871

## **Professional Highlights**

5+ years acute care med-surg/oncology experience providing compassionate & culturally competent patient-centered care

- Board certified Adult-Gerontology Acute Care Nurse Practitioner
- Certified Hospice & Palliative Nurse (CHPN)
- 240 hours nurse practitioner clinical training in palliative medicine
- Completed 3-credit elective specialty palliative didactic course
- Doctorate-prepared APRN pairing advanced clinical preparation with training in quality improvement methodology, implementation of evidence-based practice, and interprofessional collaboration
- 17-year career history in adolescent/adult education, pastoral care & counseling, and communal rabbinic leadership
- Alumnus of Providence Oncology Fellowship
- Served as unit coach for hospital's High-Reliability Organization (HRO) committee, promoting safety culture and conflict resolution
- 5+ years experience with Epic EMR

## **Work Experience - Nursing**

**Staff Nurse** (2018-present)  
32-bed med-surg/oncology unit

**Providence St. Joseph Medical Center**  
Burbank, CA

- Planned & provided care for high-acuity adult med-surg patients with varied and complex comorbidities and for oncology patients admitted for initial diagnostic work-up, disease progression, symptom management, and oncologic emergencies
- Communicated effectively with medical team while advocating for patient safety
- Delegated to, supervised, and collaborated with allied health team members
- Engaged patients to assess, document, and pursue goals of care
- Performed advanced pain assessments and collaborated with medical staff to proactively manage patient symptoms
- Provided patient and family education related to diagnosis, treatment, and anticipated impact on quality of life
- Assessed patient access to resources, identified barriers to care, and collaborated with case management and social work to promote effective discharge planning
- Provided sensitive psychosocial and spiritual care to patients with new life-altering diagnoses and to hospice patients/family members transitioning to end-of-life care
