I am interested in obtaining a position as a dental assistant. I am offering excellent skills such as patient communication, computer skills, and assisting in any clinical procedures/settings. I enjoy working with people and being able to share my knowledge over infection control and proper cleaning when it comes to working in the healthcare field. I am a team player and I'd love to share that with this healthcare team.

EXPERIENCE

02/13 – CURRENT

ASSISTANT MANAGER, THE FAMILY ASSISTANTS

This is a family owned business. I work part time professionally cleaning houses, offices, and many other things such as storage units and so on. I take care of product inventory and help bid customers needs when it comes to cleaning for them. I started at 12 dollars and I now make \$32.50 when I am cleaning my own bids and 15 dollars if I am working with a crew.

02/2021 - CURRENT (FULL TIME)

DENTAL ASSISTANT, CHARLES DREW

I am the second lead dental assistant at this clinic. I am the head of OSHA within this clinic. I run central sterile as well as making sure all operatories and the clinic are up to OSHA and Joint Commission standards. I help with ordering and organization. I also unload any dental products. Within this clinic we do general dentistry, oral surgery, pedo, endodontics and prothstetics. I do all lab work such as pouring models as well as fixing dentures/partials: I make mouth guards and whitening trays as well. Within this clinic I do the front desk; handling insurance, taking phone calls, scheduling and billing. I am making 20 dollars an hour currently within this practice.

ACTIVITIES

In my spare time I give back to the community by doing trash pick-up. I do volunteer work with softball leagues in the summer. I have done volunteer work with Iowa Westerns dental assisting program giving kids a smile with free dental work. I have helped with church functions to give back to families who don't have things. I have also helped raise donations for people that need things on campus.
