inDepth Interview

Interviewer:	Data Loader	Interview Date:	11/19/2013
Interview Modified:	11/19/2013		
Initial contact with Dr. Shrestha:			

Dr. Shrestha will be completing his Obstetrics and Gynecology Residency in July 2014. He is interested in a full-time opportunity that will accommodate his J1 Visa, beginning in September 2014 to give him time to relocate. Dr. Shrestha plans to register with the FCVS very

soon.

Dr. Shrestha prefers a Hospital Employed opportunity. He is comfortable providing care to all acuity levels of Obstetrics and is open to any size and type of facility. Dr. Shrestha has not received training in the use of Robotics in his Gynecology Training but is very interested in training and utilizing Robotics in his practice. He is fine working with Advanced Practitioners and Certified Nurse Midwives in his practice. Dr. Shrestha prefers a medium to large sized group with a call schedule of 1:3-4 or better. He is proficient in the use of the EPIC and MedAccess EMR systems. Dr. Shrestha would like to work where he can have a good support staff and good benefits. He is fluent in English, Hindi and Nepali.

Geographically, Dr. Shrestha is interested in considering all areas Nationwide. Ideally, he would love to live close to the Eastern Coast of the United States for the climate and activities available. Dr. Shrestha's ideal location would be on the Outer Banks of North Carolina because he loves the area and vacations there frequently. Other areas of interest include Colorado and the Pacific Northwest. Dr. Shrestha is single and enjoys outdoor activities, water sports, wind and kite surfing, traveling and spending time with his friends and family.

Dr. Shrestha would like to begin the interview process as soon as possible and would like at least one to two weeks notice prior to an onsite interview to adjust his current schedule. He is also available to interview via Skype or Facetime. Dr. Shrestha's CV is up to date and available from him upon request.
