Mission Statement

“Motivated and compassionate recent graduate seeking an entry-level Physician Assistant position. Highly skilled in patient care, medical assessments, and treatment planning. Dedicated to providing exceptional healthcare services and contributing to the success of a healthcare team.”

Skills

- Proficient listening skills while collecting patient history.
- Excellent in conducting physical examinations and medical assessments of all age groups.
- Skilled in diagnosing medical conditions and formulating treatment plans.
- Ability to interpret lab results and imaging studies.
- Strong communication skills, both verbal and written, with patients, attending physicians, colleagues, and healthcare staff.
- Experienced in performing various medical procedures: suturing, wound care, injections, intubations, incision and drainage, splinting, dislocation reductions, lumbar punctures, chest tubes, and central lines.
- Actively involved in code blues and cardiac arrest emergency management.
- Excellent organizational and time-management abilities.
- Ability to work effectively under pressure and in fast-paced environments.
- Commitment to patient advocacy and delivering patient-centered care.
- Experience with various electronic medical record systems such as EPIC, Meditec, Expanse Meditec, and NextGen.
