

# CURRICULUM VITAE

## PERSONAL INFORMATION

Name: Manideep Duttuluri

Date of Birth: 08/14/1985

Visa status: US citizen

Home address and telephone: 819H Fox springs dr, Chesterfield, MO - 63017

Telephone: 5512778102

E-mail address: [drmanideep05@gmail.com](mailto:drmanideep05@gmail.com)

## PROFESSIONAL SUMMARY

Highly motivated, self-directed, and dependable professional with a fine record of experience in and completion of special medical and research projects; currently a resident physician in internal medicine, advanced medical simulation-based education specialist; experience in performing selected and specialized technical procedures in medical specialties such as internal medicine, pulmonary and critical care medicine, outstanding in team building, interpersonal relationships, communication, and cultural appreciation and competency.

## EDUCATION/POST GRADUATE TRAINING AND LEADERSHIP POSITION

Medical executive committee member representing residents– Columbia university medical center/ Harlem hospital.

Residency/University: Internal medicine resident physician

Columbia university medical center/ Harlem hospital, Manhattan, New York, NY – 10037

Mount Sinai west hospital – Advanced medical simulation fellow/ researcher, sepsis coordinator

Medical School: A.J Institute of medical sciences, Mangalore, India

## PRESENT POSITION:

(2022 to 2023)

Internal medicine physician/ Hospitalist MHB/ Siloh

(2018 to 2022)

Resident physician, Internal medicine, PGY 3, NPI: **1164912341**

## PREVIOUS PROFESSIONAL POSITIONS AND APPOINTMENTS: (2014 – 2018)

Mount Sinai Roosevelt and St. Luke's hospitals: Advanced medical simulation specialist and sepsis coordinator

### TEACHING ACTIVITIES– (2015 to 2018)

Medical simulation trainer at Columbia university medical center, Harlem hospital - Training senior residents on crash cart, rapid response team training, Code scenarios

Advanced medical simulation specialist: Training residents in critical care procedures, medical codes, rapid response team training and critical care case scenarios especially central line insertion training and grading the resident's competency. (Residents of internal medicine and Anesthesiology)

Simulation specialist at Jacobi medical center, Albert Einstein college of medicine. Training medical residents in critical care procedures, medical codes, rapid response team training

Sepsis educator at Mount Sinai Roosevelt and St. Luke's hospitals, New York, NY

### Clinical trial coordinator

Inhale 1 clinical trial (2015 to 2017)

Regeneron clinical trial (2020)

### PROFESSIONAL AND SOCIETY MEMBERSHIPS

Society of critical care medicine, Sleep research society, American college of physicians, American thoracic society, NYSSA, New York state society of anesthesiologists

### LECTURES/PRESENTATIONS

Columbia university medical center/ Harlem hospital center

Harrisons chapter presentations- Pulmonary and critical care medicine, Nephrology, Cardiology and endocrinology chapter presentations during morning conference 4 days in a week

Medical case presentations - 1 case/ week. Case discussion and briefing in detail and a follow up presentation during morning conference every week

### BIBLIOGRAPHY

Published articles: 2017

Improvement in physical activity in persons with obstructive sleep apnea treated with continuous positive airway pressure

RE Jean, M Duttuluri, CD Gibson, S Mir, K Fuhrmann, E Eden  
Journal of Physical Activity and Health 14 (3), 176-182

Abstracts, Editorials

Published, ATS: 2021

Outcomes of low dose steroids use in COVID pneumonia patients among different races with and without Vitamin D Deficiency

M Duttuluri, R Ayinla, M Devita, H Assallum

Case report: 2021

Epidemic and a pandemic coming together can be deadly- A case of legionella pneumonia mimicking presentation and laboratory values of COVID pneumonia

M Duttuluri, L Salahuddin

Published:

2020

Severe asymptomatic hyponatremia following postoperative hysterectomy

M Duttuluri, A Adell, Lisa Ross. NYSSA PGA 74, 2020, Anesthesiology critical care medicine

2019

Insidious case of severe sepsis in a patient for cerclage removal

M Duttuluri, Lisa Ross. NYSSA PGA 73, 2019 Anesthesiology critical care medicine

2017

Outcomes of patients with chronic heart failure and septic shock

NI Gabra, B Kim, R Iyengar, M Duttuluri, S Lee, D Pan, H Khouli, J Mathew  
Chest 152 (4), A377

Comparison of Vasopressin and Epinephrine as the Second Vasopressor in the Treatment of Septic Shock

B Kim, M Duttuluri, R Iyengar, D Pan, NI Gabra, L Sung, H Khouli, J Mathew  
Chest 152 (4), A407

**Creation And Implementation of A Multi-Institutional Simulation-Based Airway Management Course For Critical Care Attendings**

J Mathew, K Rose, A Sotelo, S Kurtz, L Eisen, D Fein, M Duttuluri, P Pattrawala, H Khouli  
B37. INNOVATIONS IN PROFESSIONAL EDUCATION, A3286-A3286

**Comparison of Survivors and Non-Survivors of Septic Shock**

D Pan, B Kim, R Iyengar, M Duttuluri, S Lee, NI Gabra, H Khouli, J Mathew  
Chest 152 (4), A348

**Outcomes of Patients with Septic Shock on Multiple Vasoactive Agents**

S Lee, B Kim, R Iyengar, M Duttuluri, D Pan, NI Gabra, H Khouli, J Mathew  
Chest 152 (4), A329

**A Review of Paracentesis Performance in Ascites Following Simulation-Based Training: 1103**

E Verheyen, D Castaneda, AE Hernandez, J Salonia, M Duttuluri, J Mathew, S Kurtz  
Official journal of the American College of Gastroenterology| ACG 112, S603-S604

**The Evolving Definition of Septic Shock: A Focus on The New Centers For Medicare And Medicaid Services Sepsis Core Measure Definition**

JS Salonia, K McKenna, R Schneider, M Duttuluri, A Shehata, N Garg, A Wood, H Khouli, S Kurtz  
A55. CRITICAL CARE: SIRS, QSOFA, SEPSIS-WHAT'S IN A NAME? A1904-A1904

2016

**Sorry, You're Too Big for Our Scanners: Frequency Of Diagnostic Imaging Deferment Due To Weight Or Body Habitus In Obese ICU Patients**

S Shek, M Duttuluri, D Teplitzky Nes, R Jean  
B46. CRITICAL CARE: ICU EPIDEMIOLOGY AND OUTCOMES, A3631-A3631

**D45 CRITICAL CARE: CIRCULATORY HEMODYMANICS, SHOCK, CARDIOVASCULAR DISEASE, AND FLUID MANAGEMENT: Fluid Resuscitation Dilemma In Patients With Congestive Heart Failure ...**

M Duttuluri, K Rose, J Shapiro, J Mathew, R Jean, S Kurtz, K Mckenna, J Salonia, H Khouli  
American Journal of Respiratory and Critical Care Medicine 193, 1

2015

**1057: IMPACT OF EDUCATIONAL INTERVENTIONS AND SIMULATION TRAINING ON MORTALITY IN A BUSY URBAN HOSPITAL**

M Duttuluri, R Jean, S Kurtz, H Khouli  
Oral presentation, SCCM, Critical Care Medicine 43 (12), 266

**A60 OUTCOMES OF SLEEP DISORDERED BREATHING AND SLEEP LOSS: Effects of Continuous Positive Airway Pressure (CPAP) Treatment On Microalbuminuria In Obstructive Sleep Apnea: An ...**

P Ochieng, M Duttuluri, F Genese, E Eden, RE Jean  
American Journal of Respiratory and Critical Care Medicine 191,

2014

**Abstract P443: Move for Health: Pedometer Based Assessment for Physical Activity among Resident Physicians at a Busy New York City Hospital**

AA Supariwala, S Agarwal, P Pai, S Sangli, Y Thammaiah, M Duttuluri, ...A Rozanski  
Circulation 129 (suppl\_1), AP443-AP443

**Abstract MP44: Assessment and Comparison of Six-minute Walk Distance in Patients Undergoing Pharmacological Stress Test**

AA Supariwala, S Uretsky, R Cohen, Y Thammaiah, S Sangli, A Correa, M Duttuluri, ... A Rozanski  
Circulation 129 (suppl\_1), AMP44-AMP44

**Prognosis of Latent Systolic Dysfunction in Patients Referred for Stress Echocardiography with Normal LV Ejection Fraction**

AA Supariwala, W Gonzales, M Pierce, J Kahan, Y Thammaiah, S Sangli, M Duttuluri, FA Chaudhry  
Circulation 128 (suppl\_22), A18911-A18911
