📁 EMPLOYMENT HISTORY

News & Entertainment Blogger at The latest gists NG, Lagos

September 2020 — November 2021

- Successfully designed the webpage using Google web hosting platform, Blogger.
- Sourced and verified news updates from reliable sources online before editing and publishing.
- Reduced bounce rate by over 10% in the first month by attracting constant readers and visitors.
- Utilized the power of social media to attract visitors and used google analytics to monitor traffic.
- SEO was greatly incorporated to increase websites ranking on Google.

Freelancer at Opera News Hub, Lagos, Nigeria (Remote)

March 2020 — September 2020

- Conducted significant Internet research to assist in the inclusion of factual statistics in the articles/blogs.
- Semrush and google keyword were used to track the keyword rankings of the company's clients.
- Writes between 10, 000 and 40,000 words per month or 1,500 words per day on average
- To improve my performance on the company's website, I used my understanding of blogger - a free web hosting platform.
- To boost organic search, Google Analytics and SEMrush were used to track weekly site ranking and traffic.
