Granted \$6,400 to the Partnering4Africa Non-Profit Organization for educational enhancement.

Research Experience

Maternal Fetal Medicine, Columbus, OH June 2018- 2021
Preceptor: Dr. Kara Rood, MD

- Retrospective chart review evaluating the use of Suboxone vs. methadone in pregnancy and the differences in outcomes on maternal and infant morbidity and mortality.

Partnering4Africa, University of Pittsburgh Medical Center January 2017–June 2017
Preceptor: Dr. Beatrice Chen, MD, MPH

- Collaborated with DivaCup® and P4A to create a needs assessment in Lugala, Uganda.
- Created a consent, how to use a guide, and a facts and resources documentation for medical staff and patients.

Division of Genetics, Rochester, NY June 2013–August 2013
Preceptor: Dr. Chin-To Fong, M.D.

- Retrospective chart review analyzing women with BRCA mutation.
- Entered data into Progeny Clinical Software for an integrative pedigree data analysis.

Neurology Intensive Care Unit, University of Rochester Medical Center May 2010–May 2013
Preceptor: Dr. Jonathan J. Stone, M.D.

- Retrospective chart review investigating hourly neurologic assessments for TBI in the ICU.
- Reviewed electronic medical records based on billing codes to collect patient variables.

Neurology Intensive Care Unit, University of Rochester Medical Center May 2012–May 2013
Preceptor: Dushyant Damania, Ph.D.

- Retrospective chart review investigating predictors for venous-thromboembolism in patients with aneurysmal subarachnoid hemorrhage.
- Analyzed patients pre-operative and post-operative VTE prophylaxis and risk factors for VTE.

Burn/Trauma Intensive Care Unit, University of Rochester Medical Center May 2010–May 2012
Preceptor: Dr. Nicole A. Stassen, M.D.

- Concurrent and retrospective chart review used to determine the effectiveness of intermittent pain and sedation medications on ICU infection rates, ventilation days and significant complications.

Department of Psychology, University of Rochester August 2009–December 2009
M.D. Principal Investigator: Edward L. Deci, Ph.D.

- Analyzed data and ran daily interactive psychology experiments on motivation and autonomy.

Healthcare Experience

Founder and President, Partnering4Africa Non-Profit-Organization April 2010–2020

- Established a Non-Profit Organization, Partnering4Africa (P4A) in order to help those in Africa become self-sustaining in the areas of health, education, agriculture and water.
- Successfully submitted and awarded grants throughout the Western New York area.
- Purchased land to develop a medical clinic, school, micro-businesses and poultry farm.
- Constructed a medical and school.
- Established a women's development micro-business.
- Established clean water well for the village and provided bed nets to over 400 people.
- Constructed a chicken farm to raise money for 260 patients with HIV/AIDS to receive medication.

Women's Health Outreach Coordinator, Partnering4Africa Non-Profit-Organization Jan 2017–June 2017

- Arranged partnership between Soft Powers Clinic, IPPF Africa Branch, Reproductive Health Uganda, Population Services International, Marie Stopes and Partnering4Africa to increase access to female reproductive care and contraception needs.
- Collected donations from THINX, DivaCup®, and Aunt Flow for the Lugala community.
- Collaborated with Ohio Rotary Clubs: Clintonville, Tri-Village, Worthington, Canal Winchester, Dublin and Amherst to increase awareness of P4A's mission.

Burn/Trauma Intensive Care Unit Intern, URMCC August 2010–July 2012

Engaged in multidisciplinary patient-care rounds with Surgical Trauma Intensive Care Unit team.

Emergency Medical Technician, Rural Metro of Buffalo July 2009–May 2010

Responded to calls from patients in critical conditions and severe trauma.

Emergency Medical Technician, Hamburg NY Day Camp May 2009–August 2009

Medical management for a camp of 300 children ages 5-12. Provided basic emergency on-site care.

Intensive Care Unit Intern, Roswell Park Cancer Institute May 2009–August 2009

Participated in routine patient care and provided emotional comfort for patients and family.

Trauma Center Intern, ECMC May 2008–August 2008

Engaged in daily rounds, surgeries and procedures with surgical staff.

Medial Missions

IMANA Medical Mission: Pakistan 2021

Provided preventative health education and OB/GYN treatment at a rural medical clinic in Swat, Pakistan.

Partnering4Africa Medical Mission: Uganda 2017

Initiated a needs assessment to gather information regarding reproductive health and contraception needs in Lugala, Uganda. Formed partnerships between the P4A Medical Clinic and Soft Powers Clinic, IPPF Africa Branch, Reproductive Health Uganda, Population Services International, Marie Stopes and Partnering4Africa to increase women's access to medical care.

Kenya Medical Mission: Kenya 2015

Provided services including general medicine, pediatric medicine, preventative health education, OB/GYN, dental, laboratory, and osteopathic manipulative treatment.

Partnering4Africa Medical Mission: Uganda 2011

Led a team of 13 undergraduate students to build and establish a medical clinic, water well, tomato farm, and women's micro-business in Lugala, Uganda.

Community Service

- Van Buren** June 2018–2020
Provide homeless children with tutoring and mentorship.
- Thanksgiving Dinner Drive** November 2004–2020
Aid in organizing an annual Thanksgiving drive.
- Score One For Health** December 2012–May 2015
Provide underserved children with free, comprehensive health screenings at school.
- Make-A-Wish Foundation** 2004–2012
Volunteered at Holiday events, fundraisers and races.
- Rotary Club of Hamburg Sunrise** May 2010–August 2012
Presented lectures and hosted awareness events to promote international goodwill and peace.
- Friends of Strong, URMC** August 2008–August 2012
Engaged pediatric ICU patients in non-hospital events and activities.
- Hospice Buffalo** August 2005–December 2008
Facilitated children's bereavement groups and help with annual fundraisers.

Teaching Experience

- TA, Anatomy Department at Kansas City University- Advisor: Dr. Kristin Wright** 2014–2015
Led 10 hours of anatomy-tutoring and learning sessions for first year medical students weekly.
- TA, Department of Chemistry at the University of Rochester- Advisor: Dr. James M. Farrar** 2010–2012
Led two three hour workshops of 12 students weekly, conducted review sessions and proctored exams.
