Looking for Nurse Practitioner Position

Collierville, TN 38017 | 4254996616 | smriti704@gmail.com

Newly graduated AANP Board Certified Nurse Practitioner with an MSN in Adult-Gerontology Primary Care specialty, possessing 600 hours of diverse clinical experience and having worked 19 years as a registered nurse. Dedicated to improving healthcare outcomes through evidence-based practice, I have a proven ability to provide comprehensive healthcare services, diagnose and treat various conditions, and collaborate with multidisciplinary teams. Committed to ongoing professional development and maintaining high standards of patient care.

---

## Experience

---

**Adult-Gero Nurse Practitioner -Student, UAB - The University of Alabama at Birmingham -**  
Birmingham, AL

Aug 2022 - Aug  
2023

In collaboration with the preceptor while under direct supervision, I

- Performed complete histories and physical examinations in a manner appropriate for the patient ages 14 years and above.
- Differentiated normal and abnormal findings based on the physical examination, history, laboratory findings, and other tests and procedures.
- Assisted in drawing blood samples, minor wound dressing, and abscess drainage.
- Developed a working diagnosis, differential diagnosis, or a problem list and a preliminary plan.
- Identified and explained significant pathophysiology related to the patient's clinical problem.
- Problem solved through evaluation of history and physical examination, usage of established criteria for management, and collaboration with preceptor on a plan of care.
- Presented and recorded findings in a concise, accurate, and organized manner.
- Instituted and provided continuity of care. Interacted with the patient to ensure understanding of and compliance with the therapeutic regimen.
- Provided instruction and counseling regarding health promotion, patient teaching, discharge planning, family care, etc., as appropriate to the patient and/or family.
- Considered the cost implications of care provided.
- Recognized when to refer to a physician or other health care provider.
- Coordinated care with other health professionals and agencies when appropriate.
- Demonstrated appropriate interpersonal relationships with staff, patients, families, and other health professionals.
