To obtain employment with an organization that allows me to practice within my full scope of practice as a Family Nurse Practitioner.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Family Nurse Practitioner

Signify Health

April 2019 to Present

Independent contractor conducting Medicare wellness visits in patients' homes as well as virtually via telehealth.

Locum Tenens Family Nurse Practitioner

proactive md - Monticello, IN

March 2020 to December 2020

Worked independently in a primary wellness clinic for school corporation employees, conducting visits virtually and in office.

- Assess, diagnose and treat acute and chronic conditions
- Preventive care and health optimization

Registered Nurse

Lake of the Woods and Greenwoods Camp - Decatur, MI

June 2019 to August 2019

Work collaboratively with peers to create an efficient system in order to medicate staff and campers at an 8-week sleep away camp for children ages 6-15

- Triage, assess, and treat minor illnesses and injuries
- Collaborate with physicians and physician assistants, both on campus and virtually, through "e-visits"

Registered Nurse

Dekalb Health - Auburn, IN

January 2018 to June 2019

Collaborate with emergency room physicians to provide emergent, life sustaining interventions for critical patients

- Work autonomously to make time critical decisions to best serve patients

Registered Nurse

Saint Martin's Health Care Clinic - Garrett, IN

March 2017 to April 2019

Clinic serving the under- or uninsured populations of DeKalb/Noble Counties ran by volunteers and staff. Duties include triaging patients, obtaining vitals signs, patient education, community referrals, medication dispensing, and laboratory tests.

Registered Nurse

Parkview Health - Fort Wayne, IN

August 2016 to April 2019

Collaborate with other nurses and physicians to make a plan of care for patients during their stay in the Clinical Decisions Unit (CDU)

- Educate patients at discharge from the CDU to prevent post-hospital complications and readmissions
- Facilitate post-hospital care, including community referrals, from CDU by arranging follow-up appointments for patients with specialty physician groups
- Maintain flexibility while treating a wide variety of patient populations (pediatrics, geriatrics, pre/post operative, psychiatric)
- Display excellent time management skills by prioritizing and providing timely care.
- Act as a liaison between physician, patients, hospital, and office

Patient Care Technician

Patient Care

January 2013 to August 2016

Received new assignments each day, and often multiple assignments within a shift as a Registry Patient Care Technician, and demonstrated flexibility and quick learning while working with many diverse teams in multiple units

- Assisted nurses in the care of patients in the intensive care unit, including ventilator care, wound care, lab draws, ambulating, bathing and feeding patients, and responding to codes throughout the facility
- Demonstrated excellent time management skills as a medical/surgical patient care technician by prioritizing and completing time sensitive duties such as vital signs and blood glucose readings in order to support the nurses while they carry out assigned duties

Education

Master of Science in Nursing

University of Saint Francis - Fort Wayne, IN

May 2017 to May 2019

Bachelor of Science in Nursing

University of Saint Francis - Fort Wayne, IN

January 2012 to May 2016
