Initial contact with Ms. Caitlyn Bell:

Ms. Bell is a newly graduated Physician Assistant looking to start a new position anytime. She ideally would like a Full-Time opportunity; however, she is open to Part-Time positions that would transition into Full-Time.

At this point in her job search, Ms. Bell is interested in Hospital Employed or Private Practice opportunities. She is in the process of applying for an Arkansas license.

Ms. Bell feels what sets her apart as a provider is that as a new graduate, she is teachable and easy to mold to a new environment, quick learner, personable, friendly, and gets along well with others. In the field of Pediatrics, she enjoys being able to start healthcare from the beginning for a good base of lifelong health.

She is experienced with the following EMRs:

- Epic, AllScripts, CPRS

Ms. Bell is ready to begin interviewing with employers and currently needs 3 to 5 days' notice prior to a formal interview to adjust her schedule. She is available for preliminary interviews via Skype or FaceTime.
