LEADERSHIP & VOLUNTEER

PEER BUDDY MENTOR

Best Buddies International
Austin, Texas
Fall 2017 – Spring 2019

- Raised awareness about intellectual & developmental disorders (IDD).
- Mentored IDD individual & created personal friendship to foster his social skills and lessen his isolation through direct individual weekly activities & semi-monthly group-gatherings.

PROFESSIONAL DEVELOPMENT

H.O.M.E. MEDICAL VOLUNTEER

Health Outreach through Medicine & Education
Phoenix, Arizona

June 2021 – June 2023

- Provided free medical care to underprivileged & locally underserved individuals.
- Collaborated with other medical professionals/students, including dental, pharmacy, optometry, etc.
- Utilized medical interviewing, performed physical examinations, ordered appropriate laboratory/diagnostic imaging, helped prescribe proper medications, & educated patients on healthcare in collaboration with a medical professional.

MEDICAL VOLUNTEER

Global Medical Training
Dominican Republic in June 2018
Peru in January 2019

- Provided medical services & advocated preventative care to underserved populations.
- Assessed, diagnosed, & treated approximately 25-30 patients/day under direct supervision of physicians.
- Collected & distributed medications prescribed by physicians to patients & discussed instructions.

RESEARCH ASSISTANT

Health Innovation Lab, Dell Medical School
Austin, Texas

September 2018 – January 2019

- Aided in "Project HEART" to develop antiretroviral adherence intervention for HIV+ & drug-misusing individuals via managing databases in REDCap & utilizing SPSS for statistical analysis.
- Communicated with patients & medical professionals at HIV clinics for participant-recruiting purposes.

RESEARCH ASSISTANT

Texas Child Study Center, Dell Children's Medical Center
Austin, Texas

September 2016 – June 2017

- Helped advance interventional programs for treatment of emotional & behavioral disorders in adolescents via assisting in cognitive behavioral therapy (CBT) sessions to alter negative thoughts & behavior patterns.
- Used REDCap for entering, organizing, & analyzing data from CBT sessions & assessments.
