training programs, emphasizing the aspects of basic and advanced clinical research, as well as an understanding of the publication processes for future and current physicians worldwide.

- I have been involved in designing research courses, teaching, and mentoring enrollees for their assigned research projects from hypothesis generation to publication as well as served as speaker for seminar lectures and student mentorship programs.

02/2019-07/2021

Research Panelist
MedSarthi LLC, AZ

- MedSarthi is a team consisting of top physicians from various backgrounds, dedicated to helping medical students and graduates in their journey to GME (Graduate Medical Education).
- I designed an online introductory clinical research course for medical students and graduates, aiming to provide basic knowledge of the clinical research process, types of studies, statistical interpretation, as well as research article writing and publishing
- I provided teaching and research mentorship to around 250 medical students from around the world.

LICENSURE/CERTIFICATION

09/2023-Current
08/2023
10/2013

Florida State Physician License
American Board of Internal Medicine – Exam completed in 8/2023
ECFMG Certification #0-876-005-0

MEDICAL EDUCATION

08/2021-08/2023

Internal Medicine Resident Physician
HCA Healthcare/USF Morsani College of Medicine GME: Oak Hill Hospital, Brooksville, FL

07/2016-06/2017

Intern Year Resident, Department of Internal Medicine/Neurology
University of Arkansas for Medical Sciences, Little Rock, AR

09/2012-03/2015

Masters in Public Health (Biostatistics)
Icahn School of Medicine at Mount Sinai, New York, NY

08/2004-03/2010

Bachelor of Medicine and Bachelor of Surgery (M.B.B.S.)
Kesar SAL Medical College & Research Institute and Smt. NHL Municipal Medical College, India

PROFESSIONAL AFFILIATIONS/MEMBERSHIPS

- American Medical Association (AMA)
- American College of Physicians (ACP)
- American Heart Association/ American Stroke Association (AHA/ ASA)
- American Association of Physicians of Indian Origin (AAPI)
- Sigma XI: The Science Research Honor Society

SELECT ACCOMPLISHMENTS

- Authorship of **76 peer reviewed journal articles**

- Authorship of more than **100 peer reviewed abstracts in national and international conferences**
- Founding member of Outcome research group
- Founder of research course and delivered education to more than 200 medical students/graduates
- Serving as an **Expert Peer Reviewer** of various journals
- Travel award for American Academy of Neurology 2016 annual conference

ADDITIONAL SKILLS AND QUALIFICATIONS

- Proficient in software and statistical programs like SAS and SPSS
- Expertise in the outcome, survival, predictive, and cost-effectiveness analysis, and management of the clinical research studies
- Expertise in designing methodology and analyzing clinical data from hospital registries and the national large databases like NIS, NRD, NSQIP, NHANES as well as meta-analysis using Review Manager and comprehensive meta-analysis software.
- Comfortable in dealing with Good Clinical Practice (GCP), HIPAA for clinical research studies and working knowledge of regulatory affairs with US FDA
