## GRADUATE TRAINEE | GRAPHICS DESIGNER | CINEMATOGRAPHY

A computer Science fresh graduate with hands-on experience in graphics and cinematography. My character brilliance includes a can-do attitude, being teachable, dogged, enthusiastic, self-motivated, full of potential, reliable, able to work with and meet deadlines, very innovative and a plus to any productive firm or organization. Currently I'm in need of an organization that majors in or is affiliated to other companies that support all forms of computer engineering of which I will be afforded the opportunity to intern with hence build a career around my field of study. Just as much as I am a degree holder in computer science, I am very skilled in graphic design with a lot of professional work done to my credit of which I don't mind if I get an opportunity in this regard as well.
