📍 Cleveland, United States

📞 615-478-1471

## Profile

Highly motivated and skilled podiatrist seeking a position focusing in conservative and surgical care of the foot and ankle. Graduating in July 2024 from the Mercy Health/Cleveland Clinic podiatric surgical residency program. Passionate about delivering exceptional patient care, with a special focus on diabetic foot care, podiatric surgery, wound care, and limb salvage.

## Employment History

### Resident, Mercy Health/Cleveland Clinic

May 2021 — July 2024

- Provided comprehensive care to patients in multiple hospitals, orthopedic groups, and private practice clinics.
- Podiatric surgery and off service rotations at Cleveland Clinic, one of America's top hospitals.
- Expected over 1,000+ surgical cases in podiatry with a focus on limb salvage, reconstruction, elective, and trauma.
- Completed a one month rotation in orthopedic trauma surgery at Metro Health level 1 trauma center.
- Organized and facilitated more than 24 monthly cadaver labs for residents, promoting hands-on learning and skill development.
- Collaborated with a diverse team of healthcare professionals to provide superior patient care and support.

## Education

### DPM, Kent State College of Podiatric Medicine

July 2017 — May 2021

Graduated with High Honors, top 20% of class.

Dean's list every semester from 2019-2021.
