Graphic Design Academy- Graphic Designer

December 2022- February 2023

Designed Eye catchy, visual appealing poster, Flyer and brand design to help users promote their business and help increase income along with publicity through my user approachable designs.

Deegraphy studios- Photographer/ Photo editor

December 2021-May 2023

During my stay at this studio I was able to use my problem solving skills to avoid deadlines collisions and also help provide visual appealing images and creative photographs/ Pictures. This period I was able to learn Adobe photoshop which helped me maneuver images and help build my interest in Design.
