Email : saurav141995@gmail.com

Phone No. :9999385990

Skills

- React.js
- Next.js
- Node.js
- Redux
- JavaScript
- MongoDb
- Express.js
- HTML5
- SQL
- MS OFFICE

Additional Skills

- Communication Skills
- Leadership Skills
- Critical thinking Skills

Hobbies

- Sketching
- Playing Guitar
- Traveling

- ➢ Developed and maintained responsive web applications using ReactJS, ensuring optimal user experience across various devices and browsers.
- ➢ Hands on experience with markup languages, JavaScript, CSS
- ➢ Hands-on State Management libraries (Frameworks like Redux or Flux)

Extra-Curricular Activities

- Participated in Loophole + Ethical Hacking Workshop,2017

- Participated in Entrepreneurship Workshop,2017

- First Prize winner in Rangoli Making Competition held in College Fest-Techsurge and Mridang,2017

Project

- ➢ Instagram clone
  - o MongoDb
  - o Express
  - o React.js
  - o Node.js

- ➢ Expense tracker

  - o many advanced React & JavaScript topics. Some of them are State Management in React, Context

  - o API, Local Storage, Material UI, and how to create a scalable React folder structure.

- ➢ Google map

  - o Integrated the google map on the frontend with the help of a Google maps API

  - o React.js

  - o React hooks

  - o React Context

Languages known

- English
- Hindi

Education

- **Maharaja Agrasen Institute of Technology, New Delhi**
  B.Tech in Electronics and Communication Engineering
  (JULY 2013 - AUGUST 2017)
- Faridabad Model School, Faridabad—*intermediate*
  Secured 75% marks in CBSE board examination with subjects listed below-Physics, chemistry, mathematics, english, physical education.
  (APRIL 2012 - JUNE 2013)
- Faridabad Model School, Faridabad—*matriculation*
  Secured 8.4 CGPA percentile in CBSE board examination under CCE pattern.
  (APRIL 2010 - JUNE 2011)
