PROFESSIONAL EXPERIENCE

Broward Health Medical Center, Fort Lauderdale & Coral Springs, FL **March 2023–Present**
Internal Staff Pool Registered Nurse

- Meet on-demand staffing needs in the telemetry/stepdown and intensive care units and the emergency department.
- Implement nursing process in providing quality nursing care.
- Assist in medical and mental health stabilization of clients.
- Assist in bedside procedural interventions (emergent intubation, hemodynamic and psychotropic interventions).
- Coordinate care across allied healthcare disciplines (e.g., case management, physical therapy).

Jackson Community Mental Health Center, Opa Locka, FL **August 2022–August 2023**
Clinical Practicum

- Conducted psychiatric evaluations and established individualized culturally sensitive treatment plans (i.e., assessment of patient safety, acuity of illness and stabilization, bio-psychosocial assessments, case conceptualizations).
- Established individualized treatment for patients diagnosed with co-morbid and co-occurring conditions (psychosis spectrum disorders, substance use disorders, affective mood disorders).
- Incorporated motivational enhancement therapy and interviewing principles in treating patients with co-occurring and co-morbid conditions.
- Initiated, established, and monitored psychotropic treatment management for patients with co-occurring and co-morbid conditions.
- Monitored laboratory levels based on psychotropic prescription (e.g., lithium, valproic acid, prolactin).
- Provided individual psychotherapy based on evidence-based theoretical frameworks and practice.
- Collaborated in inter-professional environment to establish and coordinate care across allied disciplines (i.e., case management referral, psychotherapy).
- Managed follow-up appointments with established patients.

Brilliant Staffing LLC, Miami, FL
Agency Registered Nurse

January 2021–February 2023

- Met on-demand staffing needs for facilities in the Dade and Broward County region, including Baptist Health System and Mount Sinai Medical Center.
- Implemented nursing process in providing nursing services to patients in the acute care, medical surgical, and PACU recovery setting.
- Worked in a collaborative and interdisciplinary work environment in providing evidence-based quality nursing care.

University of Miami Hospital, Miami, FL
Registered Nurse, CVICU Unit

January 2021–February 2023

- Provided immediate post-operative care for patients recovering from cardiac and vascular surgery (e.g., CABG, TAVR, MI-MVR, MI-AVRV).
- Implemented clinical judgement in assessing, interpreting, and trending clinical data; evaluating symptomatology presented in the cardiac post-operative patient population; and supporting interventional approaches and team-based decision-making.
- Managed pharmacologic intervention following cardiac surgery (e.g., vasoactive, sedation, inotrope titration).

University of Florida Shands Hospital, Gainesville, FL
Registered Nurse, CVICU Unit

January 2021–February 2023

- Provided post-operative cardiac care for patients recovering from cardiac, pulmonary, and vascular procedures.
- Implemented nursing care interventions, including hemodynamic monitoring, cardiac rhythm interpretation, and vasoactive titration.
- Worked in inter-collaborative and interdisciplinary environment.
- Provided culturally sensitive care to patient/family system.
