Hobbies & Interests

I love to travel and will drive/fly to a new city or country whenever I get the chance. So far I've visited 28 states and gone abroad to Canada, Mexico, Germany, and the Czech Republic. In the future I'd like to see Puerto Rico, Spain, Colombia, and Italy.

I enjoy reading in my downtime, especially non-fiction. Recently I've finished "High Price" (Dr. Carl Hart) and am working through "Hospital" (Julie Salamon) before starting "Destiny of the Republic" (Candice Millard).
